

## What is PEM-EMP ?

Perinton Ecumenical Ministries, Inc. (PEM) and Ecumenical Ministries of Perinton, Inc. (EMP) are 501(c)(3) nonprofit, tax-exempt, "member" corporations owned by thirteen Perinton Churches listed below. PEM is the corporate name for Advent House, and EMP is an Umbrella Corporation for smaller ministries and serves as an incubator for new ministries.

## Perinton Ecumenical Ministries Inc. (PEM) and Ecumenical Ministries of Perinton Inc. (EMP)

**Advent House (PEM)**, 1010 Moseley Road, provides loving hospice like care in a home setting at no cost to the residents. Friends and family are welcome 24/7 to visit, prepare and share meals, or just spend a quiet moment with loved ones. Each of the two private suites features a bath, hospital bed, and a deck overlooking the grounds. There is also a warm and inviting living room and fully-equipped kitchen and dining area. Trained staff are onsite 24/7 and bereavement services are available to families for over a year. Advent House receives no fees or insurance. Funds are raised through donations, an annual spring dinner dance and auction gala; a fall golf tournament; annual year-end appeal; and the new Sweet Charity resale boutique and shop at 650 Whitney Road, which features gently-used, high-end, quality household goods ranging from jewelry to furniture. Dedicated volunteers are the heart and soul of Advent House. Those who choose to provide resident care are fully trained before serving four-hour shifts in pairs twice a month. There is always on-call professional back up. For those not called to resident care there are many other tasks including housekeeping, office help, volunteering at the store and/or fundraising activities, gardening, and much more.

### Fairport Good Neighbor Fund (EMP)

was created by the Perinton Pastoral Association to provide a single source to which members can refer people who are experiencing a financial emergency. To contribute or request assistance, contact clergy of one of the member churches on the back page of this brochure or Congregation Etz Chiam.

**Perinton Congregations for Flower City Habitat for Humanity (EMP)** raises funds and recruits volunteers to build homes every three years for Flower City Habitat for Humanity, the Habitat affiliate for Monroe County. Dedicated to helping eliminate sub-standard housing and poverty in Rochester, the Perinton faith community has built seven houses since 1999 and plans to build the eighth in 2020.

More information at: [www.perintonhabitat.org](http://www.perintonhabitat.org)

**Prison Ministry of Upstate New York (EMP)** reaches out to churches and community groups to recruit volunteers and raise funds to conduct three-day retreats in five upstate NY prisons. The goal is to help prisoners come to know the peace of Jesus Christ so they can live more fully as Christians both during and after their incarceration.

More information at: [www.pmuny.org](http://www.pmuny.org)

**Stop the Stigma ROC (EMP)** is a youth-led program that promotes suicide prevention and raises awareness about mental health issues, specifically for youth ages 10-25. Through education and by providing a forum for open conversation and dialog, they seek to reduce the stigma surrounding mental illness and encourage those struggling with suicidal thoughts to seek professional help. STS does not offer counseling services but can connect those who need help with trained mental health professionals who can help.

**For immediate help:** call the National Suicide Prevention Hotline 24/7 at 800-273-8255
