

**ADVENT HOUSE OF PERINTON [formerly PEM]  
BOARD REPORT March 10th, 2025**

**ADVENT HOUSE-**

Since December 9th, we have welcomed and cared for 8 new residents. We were closed over the holidays from December 23rd to January 2nd. Our 1st Pickleball Tournament on Feb.1st at Dinkers was fun and successful - we netted ~2,600.00.

Our plans for the Gala, which will be held April 5th 2025 at the Monroe Country Club, are well underway and we're hoping people will sign up to attend! Please spread the word. We have many nice silent and live auctions this year - including mountain bikes and a stay at a private resort in Naples,Fl amongst many others!

**HOUSE MAINTENANCE-**

Our new refrigerator is finally in.

Snow plowing has gone well this season and we are especially grateful for members on our snow team who shovel our walkway.

We are starting to think spring along with the usual house maintenance activities that are needed. Please think and let us know of any connections you may have for power washing or gutter cleaning where we can receive a discount.

**STAFFING-**

Nicole McClurg, our fundraising coordinator, has resigned. Nicole has generously been coming in to orient our new coordinator-Alison Brumm, a former volunteer at Advent House, and this is working out very well. We are so excited to have her expertise and support in this position!

Two of our weekend on-call nurses have resigned and we have adds out to replace them, but no bites so far. Molly and Brenda will cover these weekends until replacements are secured.

**VOLUNTEER COORDINATOR UPDATE-**

Since last report we have welcomed 7 new resident care volunteers. In addition, 2 more Students are joining us from the St. John Fisher University community engaged scholarship program. They will be with us for the spring semester. They are required to complete 60 hours of service with us. They are lovely girls and have been a great addition to Advent House. We also have 2 new St John Fisher nursing students here for the spring semester. 6 Harley students have started and they will be with us for the remainder school year. It has been nice to enjoy an almost completely full schedule for the last few

months! But as always, we can never have enough volunteers, especially to help with the night shifts 7-

11pm and 8- midnight.

I am not sure if you aware, but worth a mention that we also have 5 volunteers who come and clean for

us weekly, 5 volunteers who make phone calls every morning to help us fill the schedule, and a

volunteer who grocery shops for us weekly! And also, several volunteers who help with our Gala, Golf

and Pickle Ball tournament. Advent house is truly blessed with the support we receive.

A youth group from The Church of Jesus Christ of Latter-day Saints will be coming on in May to help us

with spring cleanup and mulch.

Our snow team has been very busy this year- Shoveling and sprinkling salt to keep our staff and visitors safe.

Thank you all for your continued faithfulness and support of Advent House.

Peace,

Molly Shanto RN / Brenda Ferraro RN Co-Directors
