PMUNY quarterly report. 3/10/25

Since December 8, 2024

-Our income from the annual Advent mailing was about \$2200.

PMUNY received About 30 MOH from our supporters. John has sent the current financial reports to EMP.

- PMUNY is organizing, trying to work in committees
- Volunteer recruitment is the focus in PMUNY talks being given.
- Training for RECs and Houses of Healing is being planned - Getting new volunteers familiar with the materials and schedules for programs .
- We have increased the number of prisons we serve to 8. As you know, the prison system has experienced a significant strike. The Correction Officers were primarily concerned with safety-officers were required to fill double or triple shifts, few vacant positions had been filled, the HALT Act limited disciplinary options...The governor has resolved the strike to some degree. the comments below reflect the activities for this quarter and future plans. So far, the prison strike has not directly affected PMUNY's efforts..

- Over 1200 cards are expected to be completed by EMP members, Rochester and Buffalo parishes
- Additionally 4 Rochester churches, 2 EMP parishes and St John Fisher College have asked for a PMUNY Speaker

- we are updating our website to reflect our active programs.

THANK you EMP. None of the work PMUNY does would be possible without your support and involvement. We are all grateful.
