

## PMUNY QUARTERLY REPORT TO EMP

JUNE 7, 2021

Submitted by Joyce

### 1. CoVid Update:

- Despite our absence on “the inside” due to Covid, PMUNY has sent a message of love and hope to men and women incarcerated in Upstate NY. We purchased & delivered Christian books and supplies to all of the chaplains at the NYS prisons served by PMUNY. The feedback received from the chaplains has been extremely positive.
- Although our Leadership Team continues to meet monthly via Zoom we have not yet been allowed to resume offering Residents Encounter Christ or Fully Alive programs on “The Inside” in any of our New York State correctional facilities.
- Several new volunteers have been recruited to serve as co-facilitators of the Houses of Healing Program in the Monroe County Jail. Currently a total of 6 (4 new & 2 returning)volunteers have been “cleared” to serve as volunteers via the Sheriff’s Department vetting process. 5 of the 6 volunteers have completed the Jail’s mandatory orientation training. Programming is expected to resume in the jail sometime during the month of June on Wednesdays from 6-8pm.

2. **At the request of George Havens**, I have been in communication with both the NYS Department of Corrections and Community Services (DOCCS) and the Monroe County Sheriff’s Office to get clarification of the vetting processes followed for all of our volunteers. I will be calling George in the near future with details.

3. Numerous individuals and organizations in the Rochester area have been/are being actively contacted by PMUNY representatives to assist us in recruiting a more diverse group of volunteers. We are looking at diversity in

terms of AGE, RACE AND FAITH. **I respectfully request the assistance of all EMP Directors and their respective church communities to assist PMUNY in actively recruiting and securing the commitment of at least 2 young adults and/or 2 culturally diverse adults resulting in a total of at least 4 new appointments to PMUNY's Leadership Team. Is there anyone in your congregation that you could put me in touch with to assist us with this recruitment goal?**
