

PMUNY's Quarterly Report to EMP

December 6, 2021

Submitted by Joyce K. McAndrew, Ministry Leader

Activities To Date:

1. Our Leadership Team continues to meet monthly despite Covid's limiting effects upon our ministry.
2. Recently we sent our annual Advent Mailing to our volunteers and supporters inviting them to write a Message of Hope to incarcerated men and women in the facilities we minister in. We plan to hand deliver these anonymous Messages of Hope to the Chaplains in Albion, Attica, Auburn, Livingston, Wende and the Monroe County Jail before Christmas and possibly into the new year.
3. We have purchased copies of "Making Time Count" from the Lionheart Foundation for distribution in the Monroe County Jail. "Making Time Count" is a 13 session self-study program that emphasizes the same skills presented in "Houses of Healing". Until recently the Houses of Healing program was offered to groups of inmates by our volunteers on a weekly basis. The restricted movement in the jail resulting from the Covid pandemic has increased the need for high-quality self-study programming. PMUNY is working with staff at the jail to monitor this "pilot" project. We also are in the process of communicating with our prison chaplains to see if this self-study option would be of value during this time period when our volunteers and programs are being denied access to correctional facilities.
4. Quarterly Financial Report from PMUNY's Treasurer Tom Tries is attached.

Actions Requested:

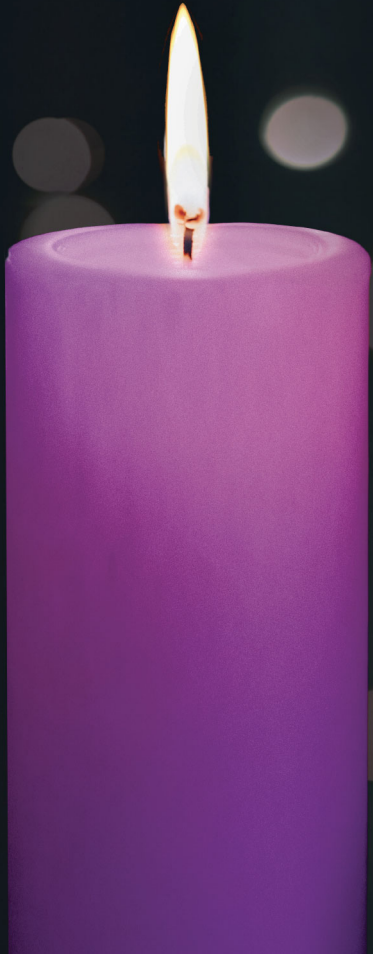

1. Please let me know if you would like multiple copies of our "Message of Hope" cards (see attached) I will be happy to deliver them to you for distribution to your faith community.
2. Please let me know if you would like me to speak at any of your church services or committee meetings.

A MESSAGE OF *hope*
