Dear Glenda Hastings,

We would like to inform you that the SBA has decisioned your application for PPP Loan Forgiveness in the amount of **\$55,400.00** of the recommended amount of **\$55,400.00**. This SBA-decisioned amount will be applied to your PPP Loan balance of \$55,400.00.

Please note: If you received an Economic Injury Disaster Loan (EIDL) Advance from the SBA, the amount of the EIDL Advance has been deducted from the forgiveness amount applied to your original PPP loan balance, as required by the U.S. Treasury. This will result in an outstanding loan amount to be repaid as outlined below. As your EIDL was negotiated directly with the SBA, we do not have access to the details associated with that agreement. Therefore, if you have questions related to the EIDL deduction from your forgiveness amount, you will need to contact the SBA for further assistance.

If the full amount of the original loan has not been satisfied, the balance of your PPP Loan will be amortized in accordance with the terms of your Note that you signed at the time of funding, and a monthly bill will be generated. The details of your loan repayment are below.

Amount of Loan Forgiveness: \$55,400.00

• Balance of loan to be repaid: \$0.00

Due date of monthly payment: 11/24/2021

Amount of payment: \$0.00Repayment period: 0 Months

We appreciate your trust in CNB as we have worked through this process. We look forward to expanding our relationship in the months to come.

Sincerely,

Christopher Pedrone cpedrone@cnbank.com
