Sweet Charity PEM Report
September 11, 2023

It has been a busy few months. Co-Manager Meg Sarnoff unexpectedly went on medical leave starting in June following a quadruple cardiac bypass surgery. I assumed all management responsibilities. Our employees, Ward and Jennifer, very willingly and graciously accepted increased responsibilities including picking up extra hours so there was no disruption in store operations. Nancy Loughran, former co-manager, volunteered many many hours as a volunteer assisting with store operations, social media , publicity and newsletters. We are most grateful to these dedicated friends. That being said, thankfully Meg is doing well and resumed some part time duties last week and is hopeful to be full time from here on out as she continues cardiac rehab.

We had a very successful summer including a record breaking August!! Ray Wager will present the financial report. We are now in the process of redecorating for fall and Halloween. Early November will be an all out effort to bring Christmas to Sweet Charity. This is a monumental undertaking requiring all hands on deck including our drivers who will load and bring everything that is filling the Advent House basement back to Sweet Charity. Meg and I are organizing a full crew and scheduling extra days to receive, sort, and decorate the shop. This has to be done when the store is closed because it is impossible to do with customers here. We are planning a thank you Christmas celebration later in December for these amazingly dedicated folks.

Please continue to promote Sweet Charity in your churches and our community. We always have a need for quality furniture donations. We have new information cards stating our new Tuesday hours which have been very successful. Please stop by the store for some to have available at your churches. If we have it, we can sell it!!!!

Respectfully submitted,
Glenda Hastings
Meg Sarnoff

CO-Manager
